ACCIDENT ON THE TRAMWAY ONE MAN KILLED TWO INJURED. We regret to say that a rather serious accident occurred on the Peak Tramway shortly after ten o'clock this morning resulting in the death of one man and serious injuries to two mon.

The accident occurred to the car leaving St. John's Road Station at 10.15. This car is known as the green car and the descending car is called the white car. At the point on the Tramway where the cars pass each other the green car always shunts to the right or west side while the white car runs on the other line. This morning Charles Lieborn was breaksman on the green car which had reached the points when the accident occurred.
